#### Reference letter

This letter serves to confirm that Grinnell Security Services have been the service provider since June 2017 for the Residence of the Swiss Consul General in Cape Town.

During this time, the service that they have provided has been of the highest standard. Their staff have always been confident and efficient in carrying out their daily duties.

We would have no hesitation in recommending them as a security service provider in any future projects.

Sincerely yours,

The Consul General of Switzerland

Andreas Maager
