TO WHOM IT MAY CONCERN

I hereby confirm that I have had dealings with Grinnell Group of Companies over many years, both on the guarding side, as well as the cleaning.

They have an extremely good work ethic, and I have found them to be on top of their game, and very accommodating.

Grinnell currently do the following complexes for my Portfolio:

- The Orangerie Body Corporate (94 units)
- The Rockwell Body Corporate (142 units)
- The Quadrant Body Corporate (146 units)

I would have no hesitation in recommending them for any tender/contract that they may enter into.

A handwritten signature in black ink, appearing to read 'Mike Howard', written over a faint circular stamp.

Kind regards
Mike Howard
